ABOUT US

INOX Kitchen Equipment was established in 1994. Having started as a small family business operating as a sub-supplier to restaurant and hospitality projects, INOX Kitchen Equipment has since grown to become one of the industry's market leaders with branches in Saudi Arabia, Qatar and Oman.

Through our constant growth and recognition in the region, INOX has subsequently established key partnerships with some of the world's largest manufacturers, suppliers, and providers of premium global commercial kitchen equipment brands. Our dedication to providing our clients with the highest quality of end-to-end service to their planning and execution has held us highly recognized by our peers and stakeholders.

Our Products & Services:
